96 POINTS

“This is top end WA Cabernet without the price tag. An inky but youthful red in colour with a nose laden with blackberry, graphite and cedar like oak spice. The palate is expansive and gives both elegance and concentration which is no mean feat. Tobacco and bay leaf are joined by drying black fruits along with is dark cocoa, graphite and earth. There is a moreish line of acidity that underwrites commanding length. Irresistible now and the future has much promise.”
